in class Thursday 8/1/2019

4 Assignment 4

- **Write a short report (1 page) about Marvin Minsky and the MIT Artificial Intelligence (AI) Lab.**
 1. Your report should include a short biography of Marvin Minsky and a summary of his achievements.
 2. Your report should summarize the significant achievements/inventions/discoveries of the MIT AI Lab.
 3. It is acceptable if the list of achievements of Minsky/AI Lab overlap.
- **Write a short report (1 page) about Richard Stallman and the Free Software Foundation (FSF).**
 1. Your report should include a short biography of Richard Stallman and a summary of his achievements.
 2. Your report should include a short history of the FSF and its achievements.
 3. It is acceptable if the list of achievements of Stallman/FSF overlap.
 4. You may also include a short mention of other projects Stallman has been involved with.
- Write on both sides of the page and submit your answer on ONE SHEET of paper.
- Double spaced writing on the page is acceptable (do not write too crowded), but do not make the spacing larger, i.e. do not pretend to submit a report and write very little.
- **Write your name and student id at the top of the page.**

4.1 Grading policy

- Write your report in class.
- Students who are no show will receive a grade of zero, unless you can demonstrate a doctor's note or other valid reason for absence.
- Emails of reports (file attachments) or other "communications of reports" (Google Drive, etc.) by students who do not attend class will not be accepted.
